

Introducing the

# Midday Flex

Eve's **NEW** Residential  
Time-of-Use Electricity Tariff

Eve is committed to offering tariff and plan options that meet the changing needs of our customers, in line with other electricity retailers.

We're introducing a new residential time-of-use plan alongside the existing gazetted tariff. This plan may suit customers who use electricity at different times throughout the day.

Supply Charge	Midday Flex	Peak	Off-Peak
Daily Supply Charge	9am - 3pm Lower rates apply when electricity is used during this time	3pm - 9pm Electricity costs more during this time	9pm - 9am
129.2269 c/day	8.6151 c/kWh	53.8446 c/kWh	23.6916 c/kWh

*Prices above include GST and are shown in cents per kWh, with the daily supply charge shown in cents per day.*

**Midday Flex** is available from **Monday 23<sup>rd</sup> March 2026**.
