

Eglinton Village Energy (also known as Eve) is both the **Distributor and Retailer of electricity for Eglinton Village.**

The way you **connect to power** in Eglinton Village is slightly different. You **don't** go through Synergy and Western Power; you **go directly to Eve.**

And because Eve does everything from your connection to opening your account and providing you with all your support requirements, the process is actually **a lot easier!**

1

"I am about to build"

You need **Temporary Power Supply**

In order to build your new Premise, your Builder and Electrical Contractor will require Temporary Power Supply.

You will need to complete a **Temporary Power Supply Application** through our [website](#) under the main menu.

By completing this Application, you are requesting to have temporary power installed.

2

"I have finished building"

You need **Permanent Power Supply**

When your Premise has been built, you will need to establish your Permanent Power Supply.

You will need to complete a **Permanent Power Supply Application** through our [website](#) under the main menu.

By completing this Application, you are requesting to have permanent power installed.

“WHAT HAPPENS AFTER I SUBMIT MY POWER SUPPLY APPLICATION?”

1. **CONFIRMATION:** You will receive an Application Received confirmation email within 3 business days of submitting your Application.
2. **CONNECTION OFFER, INVOICE & ELECTRICITY SUPPLY AGREEMENT (ESA):**
For standard connections a Connection Offer (connection agreement), Invoice (connection cost) and ESA (agreement to open an electricity account) will be issued to you for review and signing. If you have a Non-Standard connection, the process may require a Design Invoice. *Note: In order to progress with your Application, full payment of the invoice(s) is required.*
3. **NOTICE OF COMPLETION:** Once invoice payment has been received, we check that your Electrical Contractor has submitted their Notice of Completion to us. *Note: In order to progress with your Application, the Notice of Completion is required.*
4. **APPLICATION APPROVED:** You will then receive an Application Approved confirmation email advising that we are commencing connection activities.
5. **CONNECTION ACTIVITIES:** Your Power Supply connection is now being actioned. This process can take up to 4 weeks to complete.
6. **APPLICATION COMPLETED:** You will receive an Application Completed confirmation email advising that your property is now connected.
7. **EVE ELECTRICITY ACCOUNT ACTIVATED:** Your Eve electricity account will now be opened and activated. You will receive your Account Confirmation email and Introduction Pack within 1-2 months of your connection being completed.
